COMPLETING FORM 123

Please print your numbers inside the boxes using blue or black ink. Do not type your numbers or use red ink. If no entry is required for a specific line, leave blank. Do not enter words such as "none" or "zero" and do not draw a line to indicate no entry. Do not use dollar signs. You may round off cents to whole dollars. To do so, drop amounts under 50 cents and increase amounts that are 50 cents or more. For example, \$129.49 becomes \$129 and \$129.50 becomes \$130. If you round off, do so for all amounts. But if you have to add two or more amounts to figure the amount to enter on a line, include cents when adding and round off only the total.

NAME AND ADDRESS

Please use the mailing label we sent you. It can help speed your refund. After you complete this form, put the label in the name and address area. Write your social security number in the social security number area on your form. If you did not receive a label or the label contains any errors, print your name, address and social security number on your form.

COUNTY, CITY, TOWN

Follow Instruction 6 in the packet and enter your county, city, town or taxing area.

FILING STATUS

You must be single to be able to use this form. If you can be claimed as a dependent on another person's tax return, be sure to check the box in the filing status area.

REPORT YOUR INCOME

Add up the wages reported on all of your W-2 forms and enter the total on line 1A.

Add up your interest, dividend and capital gain distribution income (if any) from the 1099 forms sent to you by your bank, credit union, broker, etc. Enter the total on line 1B. You must report all your interest even if you don't get a Form 1099.

Enter the total of the amounts on lines 1A and 1B on line 1C. This is your total gross income. If this amount is \$7,450.00 or more, you cannot use this form. See Instruction 3 in the packet to decide which Maryland return you should file.

FIGURE YOUR REFUND

Line 4. Add up all the amounts of Maryland and local tax withheld using the figures on your W-2 forms. Write the total on line 4 and attach the state copy of each W-2 to your form. Do not include in this amount any tax paid to another state or to the federal government.

Line 5 through 8. The total amount of Maryland and local tax withheld from your wages is your refund, unless you want all or part of it to be donated to the Chesapeake Bay and Endangered Species Fund or the Fair Campaign Financing Fund. Enter the amount you wish to donate on lines 5 and 6 and the total on line 7. Subtract line 7 from line 4 and enter your refund on line 8.

DIRECT DEPOSIT OF REFUND

Complete lines 9a, b and c if you want us to directly deposit the amount shown on line 8 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) instead of sending you a check.

Line 9a: Check the appropriate box to identify the type of account to be entered in 9c.

Line 9b: The routing number **must** be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check sent instead. If you are not sure of the correct routing number, contact your financial institution.

Line 9c: The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank.

If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you.

DISCLOSURE

Entering your bank account routing and transit number, account number and account type in the area provided on your Maryland income tax return to effect a direct deposit of your income tax refund authorizes the Comptroller's Office to disclose this information and your refund amount to the Maryland Treasurer's Office who performs banking services for the Comptroller's Office.
