1. A resident of the State of Maryland or
2. A non-resident of the State of Maryland whose estate includes any interest in real or tangible personal property located in Maryland.

Where to file return: The person responsible for filing the Federal estate tax return shall file the Maryland estate tax return with the Register of Wills of Baltimore City or the County in which the Maryland estate is being administered, or where the property is located, in the case of a non-resident decedent. The Register of Wills shall certify as to the amount of Inheritance Tax paid, and forward the return to the Comptroller.

When to file the return: For persons dying on or after July 1, 1989, the Maryland estate tax return shall be filed nine (9) months after the date of death of the decedent. For persons dying before July 1, 1989 the return is due (15) fifteen months after the date of death of the decedent.

What to file: When filing the Maryland estate tax return include Schedule A if applicable and page 1 of the Federal estate tax return, Form 706.

Extension of time to file: The Comptroller may grant an extension of time to file the Maryland estate tax return, provided Internal Revenue Service grants a filing extension for the Federal estate tax return. A written request should be made to the Comptroller on or before the statutory due date and should include a copy of the Federal extension request Form 4768 and remittance of the estimated Maryland estate tax. Request Administrative Release #4 for additional instructions.

When and Where to pay the tax: The amount of tax due as shown on the Maryland estate tax return is payable to the Comptroller of Maryland at the same time the return is due to be filed with the Register of Wills. The check should be mailed directly to the Comptroller of Maryland, Revenue Administration Division, P.O. Box 828, Annapolis, Maryland 21404-0828 with the remittance Form MET 3. The Comptroller may allow an alternative payment schedule for the Maryland estate tax in the form of a payment deferral or installment payment plan. Request Administrative Release #30 for specific procedures.

Interest, Penalties and Liens: Interest will accrue at the statutory rate on unpaid Maryland estate tax from the due date of the return to the date of actual payment. Request Administrative Release #14 for current rates. Penalties are provided by statute:

1. For failure to pay the tax when due - up to 10%;
2. For failure to comply with Notice and Demand - 25%.

Unpaid tax, interest and penalties become subject to lien in favor of the State upon all property and rights to the property belonging to the estate.

Reporting of Adjustments: Additional Maryland estate tax resulting from the final determination of the Federal estate tax shall be reported in an amended return (Form MET 1) to be filed with the Register of Wills with whom the original return was filed and any additional tax, interest and penalties shall be paid to the Comptroller of Maryland at the same time or times at which the Federal estate tax is payable.

Refund of Excess Payment: In the event the final determination of the Federal estate tax results in a decrease in the Maryland estate tax, the Personal Representative(s) of such estate shall file with the Register of Wills an amended return (Form MET 1). Refunds found to be due shall be paid by the Comptroller as provided in Section 13-901 of the Tax-General Article, Annotated Code of Maryland.
