<b>ESTIMATED TAX PAID FOR 2005 WITH THIS DECLARATION</b> .....	▶	\$

**Purpose of Form** Form 510D is used by a pass-through entity to declare and remit estimated nonresident tax.

**General Requirements** Pass-through entities are required to pay tax on behalf of individual nonresidents; the tax is 4.75% of the nonresident partners' or shareholders' distributive or pro rata share of income allocable to Maryland. The amount of tax due may be limited based on the distributable cash flow. See instructions for distributable cash flow limitation on page 3 of instructions for Maryland Form 510.

When the tax is expected to exceed \$1,000 for the tax year, the pass-through entity must make quarterly estimated payments. The total estimated tax payments for the tax year must be at least 90% of the tax developed for the current tax year or **110%** of the tax developed for the prior tax year to avoid interest and penalty.

In the case of a short tax period the total estimated tax required is the same as for a regular tax year: 90% of the tax developed for the current (short) tax year or **110%** of the tax developed for the prior tax year. The minimum estimated tax for each of the installment due dates is the total estimated tax required divided by the number of installment due dates occurring during the short tax year.

Maryland law provides for the accrual of interest and imposition of penalty for failure to pay any tax when due.

If it is necessary to amend the estimate, recalculate the amount of estimated tax required using the estimated tax worksheet above. Adjust the amount of the next installment to reflect any previous underpayment or overpayment. The remaining installments must be at least 25% of the amended estimated tax due for the year.

The pass-through entity must issue a statement to each nonresident partner or shareholder showing the amount of tax paid on their behalf. Nonresidents must include the statement with their personal income tax returns (Form 505) to claim credit for taxes paid on their behalf.

**When and Where to File** File Form 510D on or before the 15th day of the 4th, 6th, 9th and 12th months following the beginning of the tax year or period for S corporations or by the 4th, 6th, 9th and 13th months following the beginning of the tax year for partnerships, LLC's and business trusts.

The estimated tax must be filed with the Comptroller of Maryland, Revenue Administration Division, Annapolis, Maryland 21411-0001.
