GENERAL INSTRUCTIONS

For estates of decedents dying after December 31, 2003, and before January 1, 2005

Who must file Form MET 1: The person(s) responsible for filing the federal estate tax return, Form 706, or, if a federal return is not required to be filed, the person(s) responsible for paying the inheritance tax on property that passes from the decedent under Title 7, subtitle 2 of the Tax-General Article, Annotated Code of Maryland. A Maryland return is required for every decedent whose federal gross estate plus adjusted taxable gifts is valued at \$1,000,000 or more if the decedent at the date of death was:

1. A resident of the state of Maryland or
2. A nonresident of the state of Maryland whose estate includes any interest in real or tangible personal property located in Maryland.

NOTE: A Maryland return is required if the gross estate plus adjusted taxable gifts equals or exceeds \$1,000,000, regardless of whether the estate is required to file the federal estate tax return, Form 706. If you are not required to file a federal estate tax return but are required to file a Maryland estate tax return, attach a copy of the pro forma federal form 706 prepared as though a federal return was required.

Where to file return: The Maryland estate tax return is filed with the Register of Wills of Baltimore City or the county in which the Maryland estate is being administered, or where the property is located in the case of a nonresident decedent. The Register of Wills shall certify the amount of inheritance tax paid and forward the return to the Comptroller.

When to file the return: The Maryland estate tax return shall be filed nine months after the date of death of the decedent

What to include with the return: When filing the Maryland estate tax return, include Maryland Schedule A if applicable, Maryland Schedule B and pages 1 through 3 of the federal estate tax return, Form 706. The remainder of the federal return should be retained for possible state audit.

Extension of time to file: The Comptroller may grant an extension of up to six months to file the Maryland estate tax return. An application form, MET 1E must be filed with the Comptroller on or before the statutory due date and should include: a copy of the federal extension request, Form 4768, if applicable; remittance of the estimated Maryland estate tax; or a request for an alternative payment schedule. See Administrative Releases #4 and #30 for additional instructions.

When and Where to pay the tax: The Maryland estate tax is payable to the Comptroller of Maryland at the same time the return is due to be filed with the Register of Wills: nine months from the date of death. The check should be mailed directly to the Comptroller of Maryland, Revenue Administration Division, P.O. Box 828, Annapolis, Maryland 21404-0828 with the remittance form MET 3 that is included in the return package. The Comptroller may allow an alternative payment schedule for the Maryland estate tax in the form of a payment deferral or installment payment plan. See Administrative Release #30 for specific procedures.

Interest, Penalties and Liens: Interest will accrue at the statutory rate on unpaid Maryland estate tax from the due date of the return to the date of actual payment. See Administrative Release #14 for current rates. Penalties are provided by statute for:

1. failure to pay the tax when due - up to 10 percent; and
2. failure to comply with Notice and Demand - 25 percent.

Unpaid tax, interest and penalties, become subject to lien in favor of the state upon all property and rights to the property belonging to the estate.

Reporting of Adjustments: Adjustments to the Maryland estate tax liability resulting from action taken by Internal Revenue Service or the estate shall be reported in an amended return (Form MET 1) filed with the Register of Wills with whom the original return was filed. Changes resulting from an Internal Revenue Service determination are reportable within 90 days from the date of the determination. Any additional tax, interest and penalties determined to be due shall be paid to the Comptroller of Maryland at the same time the amended return is filed.

Refund of Excess Payment: If an adjustment results in a decrease in the Maryland estate tax, the person responsible for filing the Maryland estate tax return shall file an amended return (Form MET 1) to claim a refund of previously paid Maryland estate tax. Claims shall be supported with documents required by the Comptroller. Refunds found to be due shall be paid by the Comptroller as provided for in Section 13-901, Tax-General Article, Annotated Code of Maryland.
