MARYLAND
PASS-THROUGH ENTITY
DECLARATION OF ESTIMATED INCOME TAX

Purpose of Form Form 510D is used by a pass-through entity (PTE) to declare and remit estimated nonresident tax.

General Requirements PTEs are required to pay tax on behalf of all nonresident members. For nonresident individuals and fiduciaries, the tax is 4.75% in addition to the special nonresident tax of 1.25% of the nonresident member's distributive or pro rata share of income. For nonresident entities, the tax is 7% of the nonresident member's distributive or pro rata share of income. A nonresident entity is an entity that is not formed under the laws of Maryland; and is not qualified by, or registered with the Department of Assessments and Taxation to do business in Maryland. The amount of tax due may be limited based on the distributive cash flow limitation. See the worksheet in the instructions for Form 510.

In general, Real Estate Investment Trusts (REITs) and publicly-traded pass-through entities (PTPs) are exempt from the nonresident tax and are not to be defined as nonresident entities. In addition, PTPs meeting certain reporting requirements are exempt from the requirement to pay nonresident tax on behalf of its nonresident members. See the instructions for Form 510 for more information.

When the tax is expected to exceed \$1,000 for the tax year, the PTE must make quarterly estimated payments. The total estimated tax payments for the year must be at least 90% of the tax developed for the current tax year or 110% of the tax developed for the prior tax year to avoid interest and penalty.

In the case of a short tax period the total estimated tax required is the same as for a regular tax year: 90% of the tax developed for the current (short) tax year or 110% of the tax developed for the prior tax year. The minimum estimated tax for each of the installment due dates is the total estimated tax required divided by the number of installment due dates occurring during the short tax year.

Maryland law provides for the accrual of interest and imposition of penalty for failure to pay any tax when due.

If it is necessary to amend the estimate, recalculate the amount of estimated tax required using the estimated tax worksheet provided. Adjust the amount of the next installment to reflect any previous underpayment or overpayment. The remaining installments must be at least 25% of the amended estimated tax due for the year.

The (PTE) must issue a statement to each nonresident member showing the amount of tax paid on their behalf. Non-residents must include the statement with their personal income tax returns (Form 500, 504, 505 or 510) to claim credit for taxes paid on their behalf.

When to File File Form 510D on or before the 15th day of the 4th, 6th, 9th and 12th months following the beginning of the tax year or period for S corporations or by the 4th, 6th, 9th and 13th months following the beginning of the tax year for partnerships, LLCs and business trusts.
