Instructions for Form 500MC 2006

Purpose of Form

Under the Tax Reform Act of 2007, as amended by Chapter 177 / 178 (Senate Bill 444 / House Bill 664) of the 2008 regular session of the General Assembly, each manufacturing corporation that has more than 25 employees and apportions its income under the single sales factor is required to file information reports with the Comptroller. Form 500MC must be completed by these corporations to comply with this requirement and serves to provide the comparison between using a single-factor apportionment formula and the three-factor formula that was required prior to January 1, 2001, as described in statute and regulation.

Additional information can be found on our Web site (www.marylandtaxes.com/reporting). Our corporate information reporting hotline is 410-767-3015 (toll-free 866-588-2086).
