Payment Voucher for Electronic Filers

**Payment by Electronic Funds Withdrawal
(direct debit)**

You may pay the balance due by Electronic Funds Withdrawal (direct debit). To have the funds automatically withdrawn you must complete the direct debit payment option information when electronically filing the tax return. You must also complete the authorization area on Form EL101.

If you elect this option, do not submit Form EL102.

Payment by Credit Card

You may pay your balance due by using MasterCard, Discover, American Express or Visa.

Credit card payments may be made by telephone or over the internet. The internet option is available to everyone. You must have filed a 2005 Maryland income tax return to use the telephone option.

Both options will be processed by Official Payments Corporation who will charge a convenience fee on the amount of your payment. The State will not receive this fee. You will be told the amount of the fee before you complete your transaction. Do not include the amount of the convenience fee as part of the tax payment.

To make a credit card payment call 1-800-2PAY-TAX (1-800-272-9829) or visit their website at:

www.officialpayments.com

If you elect this option, do not submit Form EL102.

Payment by Check or Money Order

Enter the taxpayer identification number (social security or federal employer identification number), name and address in the space provided. If this is a joint return, enter both social security numbers and names as they appear on the return. Write the amount of your payment in the block titled "Amount paid with this voucher."
