Excess amounts of the other credits cannot be carried forward. **Note: Resident fiduciaries may use Form 502CR to claim only a credit for income taxes paid to other states or a credit for Preservation and Conservation Easements.**

Name and Other Information. Type or print the name(s) as shown on Form 502, Form 505, Form 515 or Form 504 in the designated area. Enter the Social Security number for each taxpayer.

When and Where to File. Form 502CR must be attached to the annual return (Form 502, 504, 505 or 515) and filed with the Comptroller of Maryland, Revenue Administration Division, 110 Carroll Street, Annapolis, Maryland 21411-0001.

PART A - CREDIT FOR INCOME TAXES PAID TO OTHER STATES

If you are a Maryland resident (including a resident fiduciary) and you paid income tax to another state, you may be eligible for a credit on your Maryland return. Nonresidents (filing Form 505, 515 or 504) are not eligible for this credit.

Find the state to which you paid a nonresident tax in the groups listed below. The instructions for that group will tell you if you are eligible for credit and should complete Part A of Form 502CR. You must file your Maryland income tax return on Form 502 and complete lines 1 through 22 of that form, or on Form 504 and complete lines 1 through 22. Then complete Form 502CR Parts A and G and attach to Form 502 or 504.

A completed, signed copy of the income tax return filed in the other state must also be attached to Form 502 or 504.

CAUTION: Do not use the income or withholding tax reported on the wage and tax statement (W-2 form) issued by your employer for the credit computation. Use the taxable income and the income tax calculated on the return you filed with the other state.

If you are claiming credit for taxes paid to more than one state, a separate Form 502CR must be completed for each state. Total the amount from each Form 502CR, Part A, line 8. Using only one summary section, record the total on Part G, line 1. Credit cannot be allowed for the local portion of the tax calculated on the return of the other state or on the Maryland return (line 29 of Form 502).

GROUP II - Reciprocal for wages, salaries, tips and commission income only.

It does not apply to business income, farm income, rental income, gain from the sale of tangible property, etc. If you had such income subject to tax in these states, complete Form 502CR and attach it and a copy of the other state's nonresident income tax return (not just your W-2 Form) to your Maryland return.

If you had wages, plus income other than wages from a state listed in Group II, you should contact the taxing authorities in the other state to determine the proper method for filing the nonresident return.

Alaska - AK	South Dakota - SD
Florida - FL	Washington - WA
Nevada - NV	Wyoming - WY

Group III - You must report income from these states on your Maryland resident return. You cannot claim any credit for income earned in these states because you did not pay any income tax to the other state.

PART A - IMPORTANT NOTE FOR DUAL RESIDENTS

A person may be a resident of more than one state at the same time for income tax purposes. If you must file a resident return with both Maryland and another state, use the following rules to determine where the credit should be taken:

1. A person who is domiciled in Maryland and who is subject to tax as a resident of any of the states listed in Group I or II can claim a credit on the Maryland return (Form 502) using Part A of Form 502CR.
2. A person domiciled in any state listed in Group I or II who must file a resident return with Maryland must take the credit in the state of domicile.

PART A - SPECIAL INSTRUCTIONS

Members of Pass-through Entities - When a partnership, S corporation, limited liability company (LLC) or business trust files a composite return on behalf of its partners, shareholders or members with states in Groups I and II, Maryland resident partners, shareholders or members may claim a credit for their share of the tax paid. Attach a copy of the composite return filed with each of the other states. In lieu of the composite return, attach a statement(s) from the pass-through entity showing your share of the total income, your share of the taxable net income and your share of the tax liability in each of the other states. Complete a separate Form 502CR Part A for each state, entering your share of the taxable net income on line 2 and your share of the tax liability on line 7. Do not enter the amount of tax withheld on your behalf as shown on the K-1 issued to you by the pass-through entity. Total the amount from each Form 502CR, Part A, line 8. Using only one summary section, record the total on Part G, line 1. No credit is allowed for local taxes paid.

If the Maryland resident must file an individual nonresident return reporting the partnership, S corporation, LLC or business trust income, a separate Form 502CR must be completed for each state and submitted with a copy of the return filed with the other state. For both composite returns and individual returns, no credit is available for taxes paid to states in Group III, or for taxes paid to cities or local jurisdictions.

Shareholders of S Corporations - Maryland resident shareholders can claim a credit for taxes paid by an S corporation to a state which does not recognize federal S corporation treatment. A copy of the corporation return filed in the other state is required to be attached to the Maryland return. A separate Form 502CR should be completed for each state showing the following information:

$$\frac{\text{Stock ownership percentage}}{\text{Corporation taxable income}} \times \text{Line 2, Part A, Form 502CR} =$$

$$\frac{\text{Stock ownership percentage}}{\text{Corporation tax}} \times \text{Line 7, Part A, Form 502CR} =$$

NOTE: A preliminary calculation using Form 502 must be made before calculating the credit on Form 502CR. Complete lines 1 through 22 on Form 502 to determine the amounts to be used for the 502CR computation.

The credit amount shown on line 8 of Part A, Form 502CR must then be included as an addition to income on line 5 of the Form 502 you will file.

D.C. Unincorporated Business Franchise Tax - Self-employed individuals and partners in a partnership that are subject to D.C. unincorporated business franchise tax may claim a credit on Form 502CR. A copy of the D.C. return is required for self-employed individuals and for partners, a K-1 or other statement from the partnership showing the partner's share of income and the partner's share of the D.C. tax.

Installment Sales in Another State - You may be eligible for credit for taxes paid to another state for gain recognized on installment, sales proceeds, even if the other state required the total be recognized in an earlier tax year. Credit is allowed against the state income tax only. The gain must have been deferred for federal tax purposes, but fully taxed in the year of the sale by another state that does not recognize the deferral. The credit allowed is the amount of the gain taxed in Maryland in the current year multiplied by the lesser of:

- the highest state tax rate used on your Maryland tax return or
- the tax rate imposed by the other state on the gain.

PART B - CREDIT FOR CHILD AND DEPENDENT CARE EXPENSES

If you were eligible for a Child and Dependent Care Credit on your federal income tax return, Form 1040 or 1040A for tax year 2011,

No credit is allowed for an individual whose federal adjusted gross income exceeds \$50,000 (\$25,000 for married filing separately). Use the chart below to determine the decimal amount to be entered on line 3 of Part B.

PART C - QUALITY TEACHER INCENTIVE CREDIT
