COMPLETING FORM 123

Please print your numbers inside the boxes using blue or black ink. Do not type your numbers or use red ink. Do not use dollar signs. You may round off cents to whole dollars. To do so, drop amounts under 50 cents and increase amounts that are 50 cents or more. For example, \$129.49 becomes \$129 and \$129.50 becomes \$130. If you round off, do so for all amounts. But if you have to add two or more amounts to figure the amount to enter on a line, include cents when adding and round off only the total.

NAME AND ADDRESS

Please use the mailing label we sent you. It can help speed your refund. After you complete this form, put the label in the name and address area. If you did not receive a label or the label contains any errors, print your name, address and social security number on your form.

REPORT YOUR INCOME

FIGURE YOUR REFUND

Add up all the amounts of Maryland tax withheld using the figures on your W-2 forms. Write the total on line 4 and attach the state copy of each W-2 to your form. Do not include in this amount any tax paid to another state or to the federal government.

The total amount of Maryland tax withheld from your wages is your refund, unless you want all or part of it to be donated to the Chesapeake Bay and Endangered Species Fund or the Fair Campaign Financing Fund.
