

APPLICATION FOR EXTENSION OF TIME TO FILE CORPORATION INCOME TAX RETURN

GENERAL INSTRUCTIONS

Purpose of Form Form 500E is used by a corporation to request an extension of time to file the corporation income tax return (Form 500) and to remit any balance of tax due.

NOTE: Do not use this form for pass-through entities (including S corporations) or to remit employer withholding tax.

General Requirements Maryland law provides for an extension of time to file, but in no case can an extension be granted for more than six months beyond the original due date. A request for extension of time to file will be automatically granted for six months, provided that:

- 1) Form 500E is properly filed and submitted by the original due date (15th day of the 3rd month following close of the tax year or period, or by the original due date required for filing of the federal return);
- 2) full payment of any balance due is submitted with Form 500E; and
- 3) an application for extension of time has been filed with the Internal Revenue Service or an acceptable reason has been provided with Form 500E.

A proper application for extension of time to file will not be acknowledged. If the extension request is denied, the corporation will be notified.

Form 500E does not extend the time allowed to pay the tax. Maryland law provides for accrual of interest and imposition of penalty for failure to pay any tax when due.

Consolidated returns are not allowed under Maryland law. Affiliated corporations which file a consolidated federal return must file separate Maryland extension applications for each member corporation.

When and Where to File File Form 500E by the 15th day of the 3rd month following the close of the taxable year or period, or by the original due date required for filing the federal return. The application for extension of time must be filed with the Comptroller of the Treasury, Revenue Administration Division, Annapolis, Maryland 21411-0001.
