Specifications

Peter Franchot, Comptroller
September 2011

Introduction

Maryland law requires employers to submit their annual withholding reconciliation using magnetic media format or electronic format if the total number of required W-2 statements meet or exceed 25 for tax year beginning 2011. We encourage all employers regardless of the number of statements to file using magnetic media or electronically via b-File, our free online filing option on our website at www.marylandtaxes.com. W-2 file upload capability should be available by the 2011 filing deadline.

The filing due date for W-2 wage and tax statements is the last day of February. If the due date falls on a Saturday, Sunday or legal holiday, the statements must be filed by the next business day.

The 2011 Maryland Employer Reporting of W-2s Instructions and Specifications Handbook is designed to be used as a companion to the Social Security Administration Publication No.42-007 EFW2 Tax Year 2011. Since many functions of the Maryland employer-reporting program are similar to the SSA program, this handbook highlights the special requirements of the Maryland program.

For information concerning 1099 filing requirements refer to the 2011 Maryland Reporting of 1099s Instructions and Specifications.

New for Tax Year 2011

There has been a reduction in the number of wage statements required to be filed in machine-readable or electronic format. Maryland House Bill 1233 changes the number of W-2s required to be submitted to the Comptroller of Maryland in machine-readable or electronic format, from 100 or more to 25 or more for tax year 2011.

Maryland Magnetic Media Record Changes Tax Year 2011

There have been no changes to the record layouts for tax year 2011, however, all fields in all records are now required.

The 2011 Maryland record layout is the only acceptable format for both current and back year tax magnetic media submissions.

Upcoming Enhancements for Tax Year 2011

An improvement currently in development is an application which will allow employers and transmitters to upload income tax withholding statements and W-2s electronically without limitation. 1099s can not be uploaded via this method. Please monitor the Business Taxpayers section of www.marylandtaxes.com for information as we will post details of this improvement when completed.

Reminders for Tax Year 2011

All submissions will be reviewed for accuracy. Any errors which will result in a rejected submission are addressed at the end of this publication.

Failure to include a date and time stamp in positions 497-512 of the 'RE', 'RS' and 'RV' records will result in the data being rejected.

The "RE" record must include the Maryland Central Registration Number in positions 222-229. Failure to include your Central Registration Number will result in your data being rejected.

The "RS" record must include the Employer Identification Number in positions 328-336. Failure to include your Employer Identification Number will result in your data being rejected.

The "RV" record is an electronic version of the paper form, MW508, Annual Employer Reconciliation Return. The RV record contains all of the data from the MW508 and is a required record when using magnetic media. Do not include the paper MW508 with your magnetic media submission as the RV record is considered the electronic version. Do not send a paper Form MW508 unless the report is for all zeros and/or paper W-2s/1099s are attached. Amounts reported on a paper Form MW508 are for paper submission only.

If you outsource your payroll, please provide the transmitter/submitter with the Federal Employer Identification Number (FEIN) and the Maryland Central Registration (CR) Number.

Do not report duplicate information. If you file returns magnetically, identical paper documents must not be filed. This may result in erroneous balance due notices and/or penalty notices.

The Comptroller of Maryland will only accept 3 ½-inch diskettes, CDs, b-File and W-2 file upload submissions.

Current and prior year data may be submitted in the same shipment; however, each tax year must be on separate media.

Frequently Asked Questions

What is the Maryland Central Registration number?

The Central Registration number is an eight-digit number assigned by Maryland when you open a state withholding account.

How can I confirm an employer's Maryland Central Registration number?

You may contact Taxpayer Services by telephone at 410-260-7980 from Central Maryland, or 1-800-638-2937 from elsewhere or by e-mail at taxhelp@comp.state.md.us. Be prepared to provide the following information: Federal Employer Identification Number (FEIN); name of company; and name and method of contact for the person inquiring.

Who can file paper wage and tax statements?

Employers having less than 25 W-2 wage and tax statements to report may send a paper Form MW508 with paper copies of the W-2 wage and tax statements to:

Revenue Administration Division
ATTN: Returns Processing, Room 206
110 Carroll Street
Annapolis, MD 21411-0001

Can I file my corrections on magnetic media?

No, we cannot process W-2Cs or amended MW508s on magnetic media or in an electronic format. All W-2Cs and amended MW508s must be submitted on paper to the address above.

What documents do I need to send with my magnetic media?

No documents are required. The annual reconciliation information is contained in the "RV" record, which includes all fields from the Maryland Form MW508.

What if I file both paper returns and magnetic media?

All paper W-2s/1099Rs not included on media must be submitted together in one package with the media. Also, include Form MW508 showing the totals of all paper W-2s/1099Rs, Form 500CR (Credits for Non-Profit Entities) and payment of balance due, if applicable. Please be sure your name, Federal Employer Identification Number, and Maryland Central Registration number are on all documents. Send the package to the following address:

Revenue Administration Division
Attn: Magnetic Media Unit, Room 214
110 Carroll Street
Annapolis, MD 21411-0001

Am I required to submit a test file?

No, test files are not required. We recommend and encourage large filers to submit a test file on CD or diskette. This will validate proper format and identify problems before production data is submitted, avoiding delays in processing. Please clearly mark your media as “Test” and send to the address listed above.

Is there a filing deadline?

The filing deadline for both W-2 and 1099R wage and tax statements is February 29, 2012. If any due date falls on a Saturday, Sunday or legal holiday, the statements must be filed by the next business day.

Can I file back-year data on magnetic media?

Yes. Maryland can process all back year data submitted on magnetic media. All data must be presented in the current year format and the tax year must be properly entered in the “RE” record.

Do you return the media after you are done?

No, magnetic media becomes the property of the Revenue Administration Division and for security reasons it is destroyed after being successfully processed.

How do I request a waiver of the Magnetic Media/Electronic filing requirement?

To request a waiver for not complying with the minimum filing threshold, you should send a written request stating the nature of the hardship or a copy of a federal waiver. The request should be sent by mail to the address listed, by email to lneighoff@comp.state.md.us or by fax at 410-974-2274.

Will I be penalized for not filing electronically or by magnetic media when required?

Employers failing to comply may incur a penalty of \$50 for each violation. Each W-2 submitted that is not properly filed is a separate violation subject to the above penalty. Failure to comply with Section 13-706 of the Tax General Article, Annotated code of Maryland may result in the assessing of additional penalties.

Where do we send the magnetic media?

Revenue Administration Division
ATTN: Magnetic Media Unit, Room 214
110 Carroll Street
Annapolis, MD 21411-0001

Filing Requirements for W-2 Wage Data

Employers with 25 or more W-2 forms to report must electronically file or on magnetic media in the Social Security Administration Publication format using the Specifications for Filing Forms W-2 Electronically (EFW2) as defined in the Social Security Administration Publication No.42-007 EFW2 Tax Year 2011, with Maryland modifications.

Media Specifications

Diskettes and CDs

The Maryland Revenue Administration Division accepts 3 1/2-inch diskettes and CDs. Diskettes must be double-sided, double-density or high-density, MS-DOS version or compatible operating system.

All diskettes and CDs must be virus scanned before submission.

Only *one* file name is allowed. The file name must be "W2REPORT" for W-2 wage data. Do not add an extension (e.g., ".dat", ".bak").

The external labels must have the company name, FEIN, the proper sequence (e.g., VOL 2 of 3), type of data (W-2 or 1099) and tax year.

Most Common Errors to Avoid

Failure to include the RA record results in the file not being properly read.

Failure to modify the RS record to include Federal Employer Identification Number (FEIN) positions 328-336.

Failure to include the RV record containing the MW508 information.

Central Registration number not used or reported in the wrong location.

Using the Unemployment Insurance number instead of the Maryland Central Registration number.

Separating the state and local taxes. These amounts are to be combined and reported as state tax withheld.
