Purpose of Form

Under the Tax Reform Act of 2007, as amended by Chapter 177 / 178 (Senate Bill 444 / House Bill 664) of the 2008 regular session of the General Assembly, each manufacturing corporation that has more than 25 employees and apportions its income under the single sales factor is required to file information reports with the Comptroller of Maryland. Form 500MC must be completed by these corporations to comply with this requirement and serves to provide the comparison between using a single-factor apportionment formula and the three-factor formula that was required prior to January 1, 2001, as described in statute and regulation.
